LOCATION

We are situated at the eastern end of Stoke Park, near the roundabout, at the junction of A25 Parkway and A3100 London Road. Access from London Road

GMES aims to develop, encourage and provide facilities for all aspects of the hobby of model engineering and to promote fellowship between its members. The membership embraces all levels of skill and member's interests cover every facet of the hobby including railways, boats, clocks and scientific instruments, tool making, stationary steam and internal combustion engines, traction engines and more.

New members are always welcome
